## **2015 SPIRITS PORTFOLIO**

### **OUR STORY**

A few years back we set out to create a handful of classic spirits that could stand alone on their own merits. We sought rich flavors that capture the classic profiles of these spirits from their earliest days.

Today, Backbone Bourbon Company offers you a portfolio of bourbon, rye and gin with a particular essence, profound in flavor and bottled with distinctive labels that will stand out on your shelf.

Whether served straight or in a craft cocktail, our spirits are meant to be sipped and savored. We invite you to discover for yourself - and your patrons - our classic American spirits.
